PPI Connect Client Portal
Registration & Site Guide

PPI Connect brings all your essential resources and tools together in one secure, convenient place. From managing documents to accessing billing and policy details, this portal is designed to make your experience seamless and efficient.

Let's get you set up so you can start taking full advantage of everything PPI Connect has to offer. To access the site, you will need to create a login and set up two-factor authentication (2FA)

Client Registration and Login Steps Summary

For first time registrations and logins, please refer to the step-by-step instructions on the next few pages that will walk you through the following:

1. Create your PPI Connect login credentials.
2. If you don't already have a 2-Factor Authentication (2FA) app on your smartphone, download the free Microsoft Authenticator, secure login software, from either **Google Play** or the **Apple App Store**.
3. Create a new Microsoft Authenticator account and scan the QR code in your PPI Connect registration browser window.
4. Enter the Microsoft Authenticator 6-digit verification code into the space provided under the QR code in your PPI Connect registration browser window.

Once you've gone through this process, you're all set for PPI Connect. Just log in with your email and password at **https://portal.ppibenefits.com.** You can also access the Connect login page from our website at ppibenefits.com.

Please Note: PPI Connect will ask for a 6-digit verification number through Microsoft Authenticator each time you log into the PPI Connect portal.

Client Registration Step 1 – Get the App

If you don't already have a 2-Factor Authentication (2FA) app on your smartphone, download the free Microsoft Authenticator, secure login software, from either **Google Play** or the **Apple App Store**.

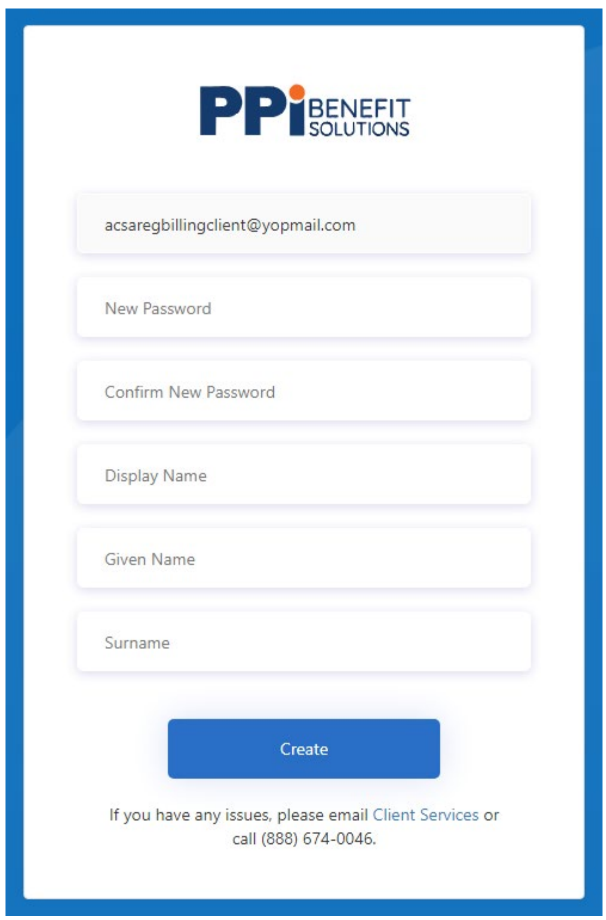
For more information on the Microsoft 2FA App:

- **What is the Microsoft 2FA App**?
- **Link to Download the Microsoft 2FA App**

Client Registration Step 2 – Create Your Password

Once you have the app on your phone, you'll need to click the link in the email we send you, complete the basic info form and create your password, then click the "Create" button.

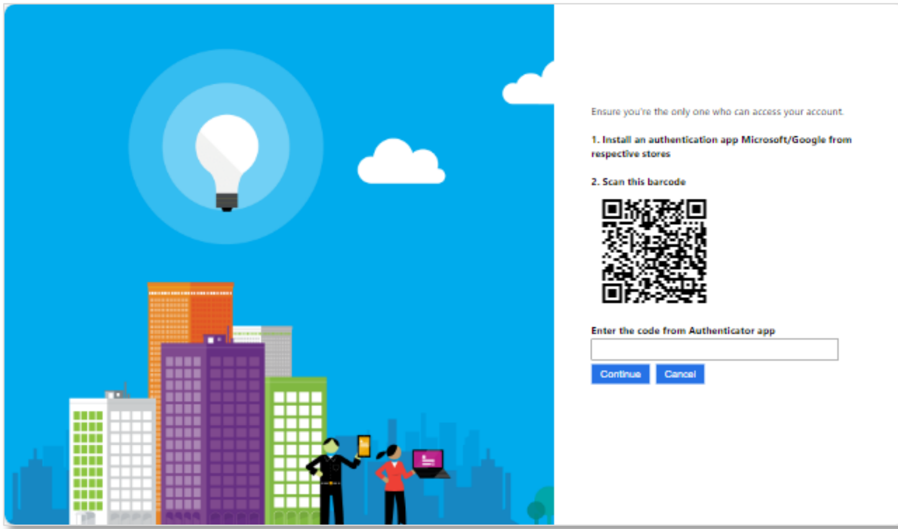
Didn't receive the email? Contact us at **clientservices@ppibenefits.com** and request that we send it again.



Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

Client Registration Step 3 – Create an Account on Your 2FA App for PPI Connect

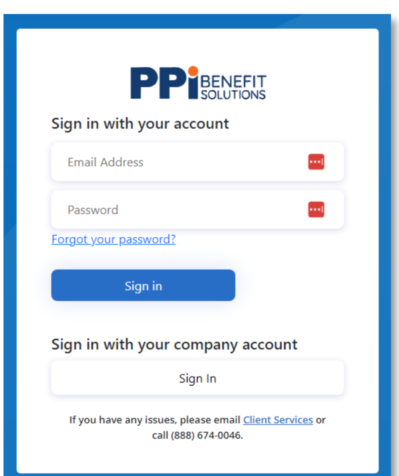
- Create a new Microsoft Authenticator account using the "+" button in the app then use your camera to scan the QR code in your PPI Connect registration browser window.



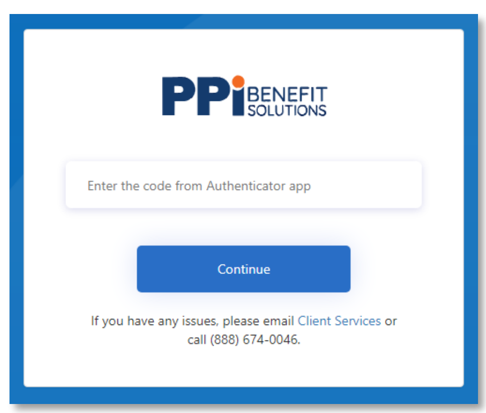
- Enter the Microsoft Authenticator 6-digit verification code for the PPI Connect Account into the space provided under the QR code in your PPI Connect registration browser window and click "Continue."
- Need help with this step? Call Client Services at **(888) 674-0046** or email at **clientservices@ppibenefitsolutions.com**

Client Registration Step 4 – Log In With Your New Account

- Under "Sign in with your account," enter your work email and the password you just created then click "Sign in." The next screen will prompt you to enter an 2FA #.



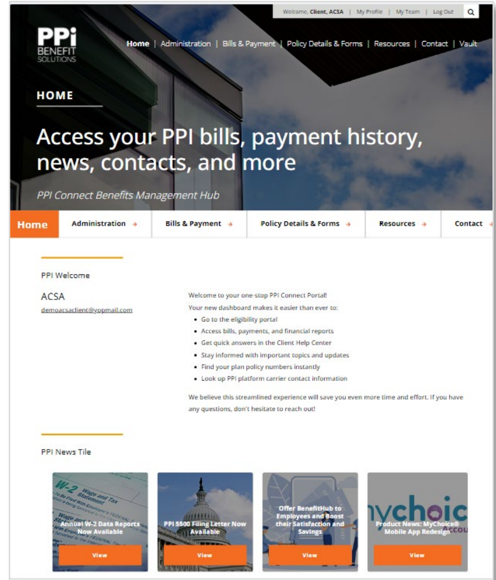
- Enter the number generated by the 2FA app to continue. You will be asked for this number each time you log in.



Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

The PPI Connect Employer Portal

Welcome to your PPI Connect homepage! Here, you'll find easy access to all the tools and resources available to you, organized for quick navigation and a streamlined experience. From this central hub, you can access documents, view billing information, access reports, get help, and explore all the great resources PPI provides.



New Features at a Glance

- The login process includes 2-factor authentication for a more secure website.
- Payment summaries, the annual 5500 Letter and Cost of Coverage reports, and access to online bill pay is now available to all clients, not only online billing client.
- Online billing clients can search, sort, and filter their invoice, right from the website.
- Billing history will continue to be available on a rolling 12-month schedule.
- The "Vault" stores important, client-specific documents that members of your PPI team wish to share with you.
- The Connect portal provides a better infrastructure on which to implement many future enhancements, such as single sign on with other applications (e.g., AutoEnroll) and some exciting new upgrades to our billing system.

Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

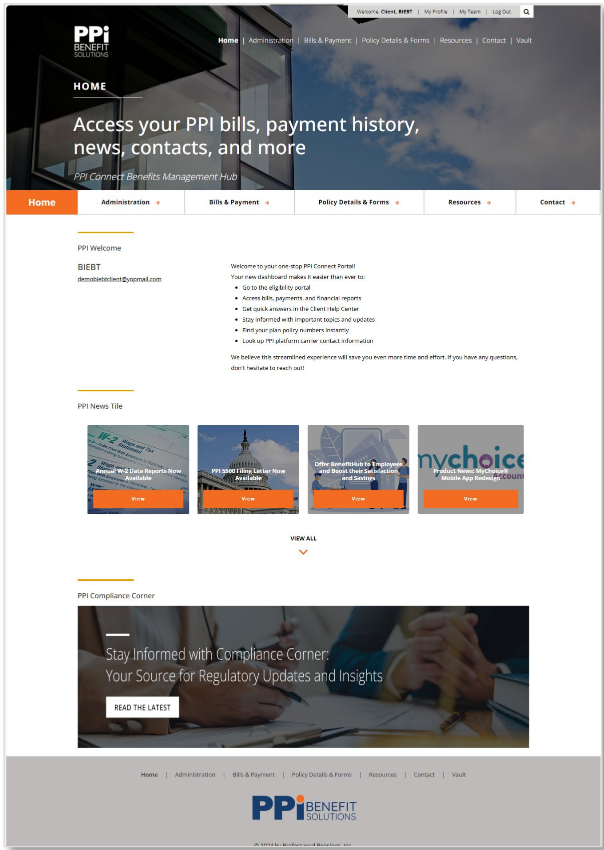
New Features in Detail

Home Page

The PPI Connect portal is a complete redesign in layout and navigation, with some enhancements around viewing and downloading your bill, obtaining financial reports, storing documents, and accessing resources.

Navigate the site using the top menu or the tabs under the header

Get to the bi-weekly *Compliance Corner* newsletter from the Compliance Corner banner.



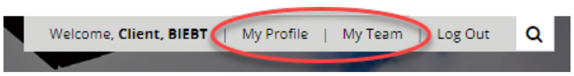
Use the top welcome tabs to set notification preferences or view your PPI Team contacts.

Go to the Vault to view and download documents, reports, and bills.

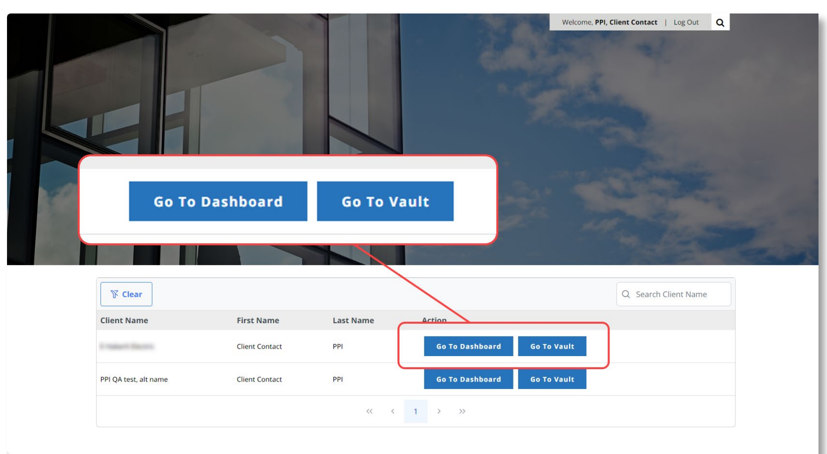
The News section includes links to client notifications and announcements

Users with Multiple Accounts

If you have access to multiple accounts, upon logging in you will see a searchable table of accounts with links to their Dashbards (Home) and Vaults (Reports and Documents).



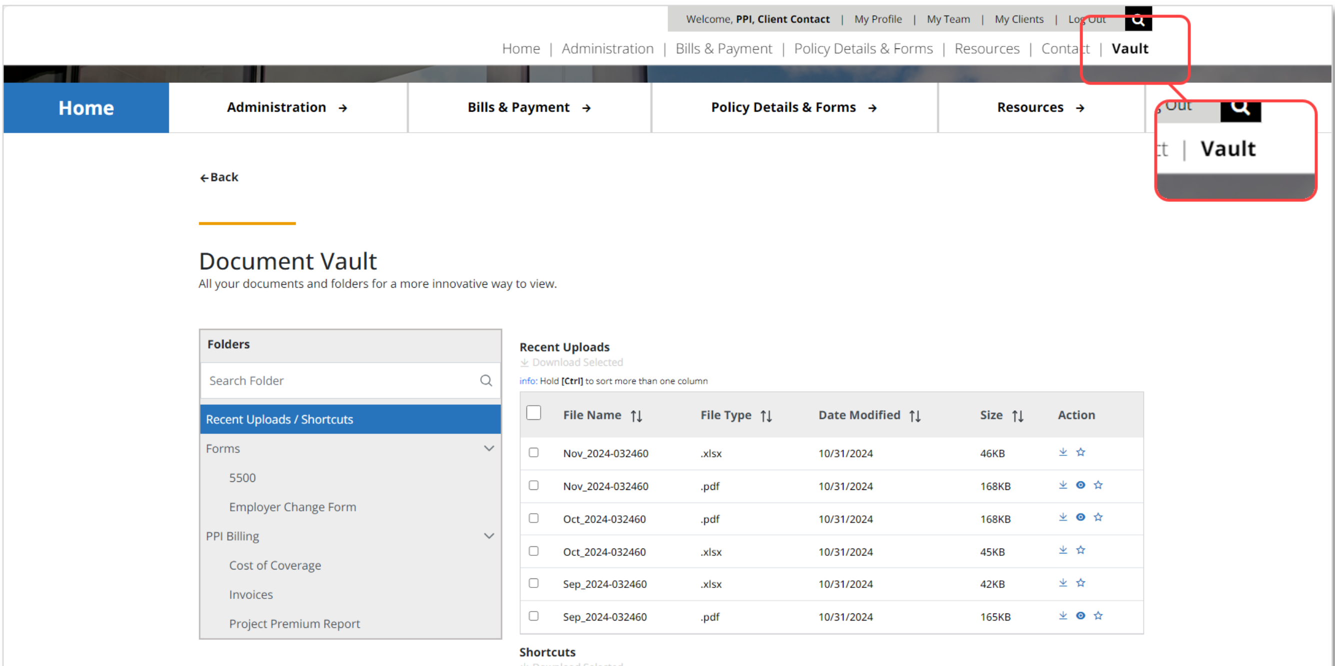
To get back to this screen from an account, select My Clients from the top tab menu.



Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

The Vault

The Vault allows PPI to securely share information and documents with you online. All materials are neatly organized into folders for easy navigation, and you can search for specific files using the built-in search feature. Additionally, you have the option to 'favorite' important items, making them easily accessible through a dedicated Shortcuts menu. The Vault is designed to streamline document management, offering a more efficient and intuitive way to view and retrieve the resources you need.



Invoices

Download PDF and Excel versions of your invoices, which display in descending order. To download either version, click on the ↓ Action column. For more information, see the Bills & Payment section.

Projected Premium Report

The Projected Premium Report provides advance notice of upcoming employee changes in age that impact age-banded voluntary life and/or disability coverage premium for the current bill cycle plus an additional two months. This information is based on the rate and enrollment data available on the report's creation date.

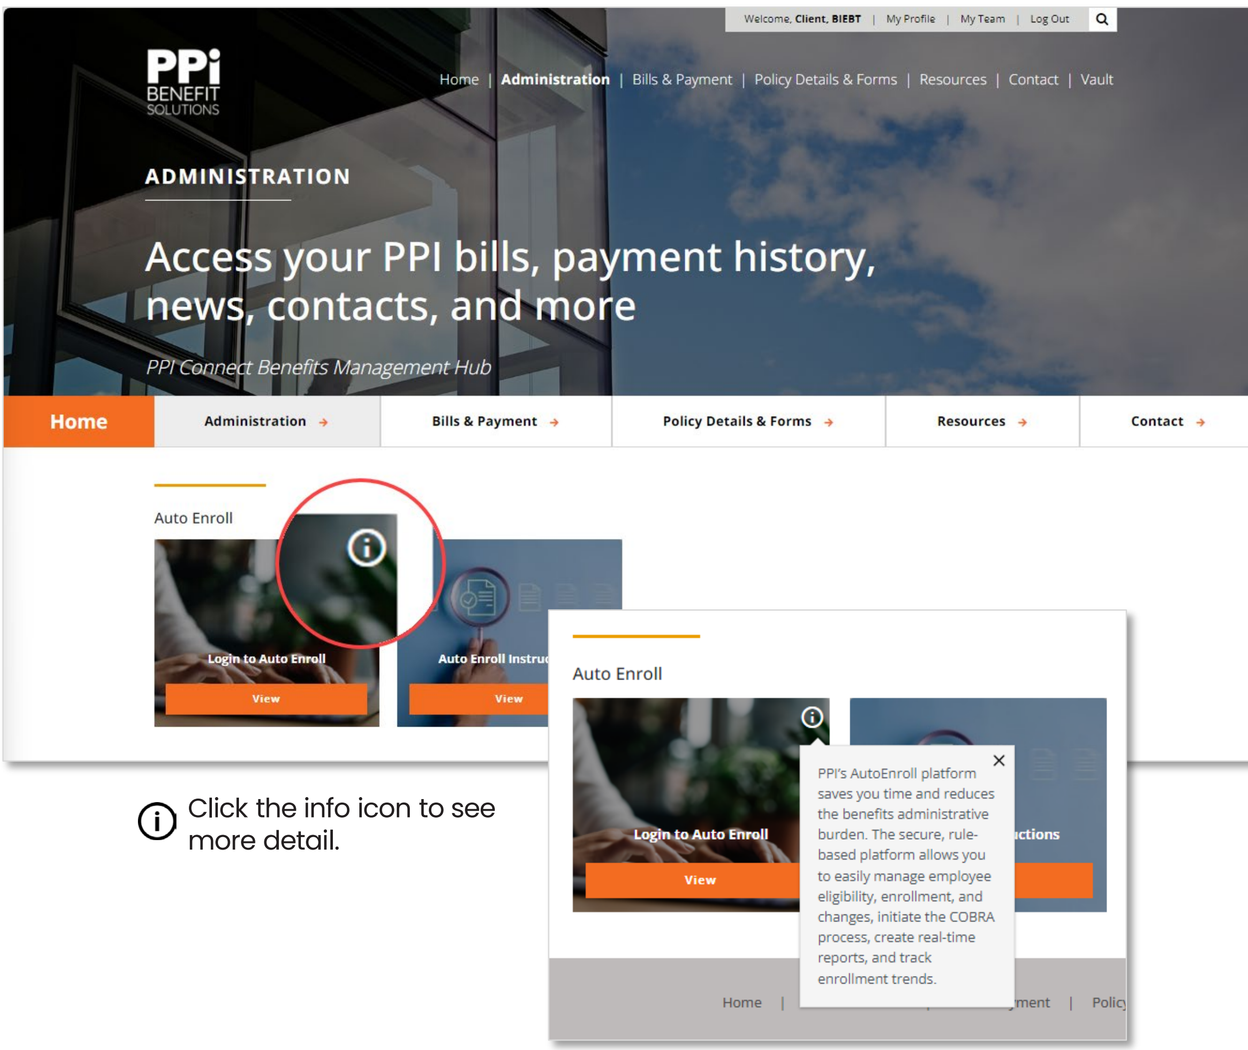
Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

The Administration Tab

AutoEnroll

Go to the AutoEnroll login page from the AutoEnroll login tile, or access AutoEnroll How-to-Guides in the Client Help Center

Note: Whenever you see a small info icon in the upper right corner of a tile, click it to see a popup with more detail about that topic. Some popups include links for even more information.

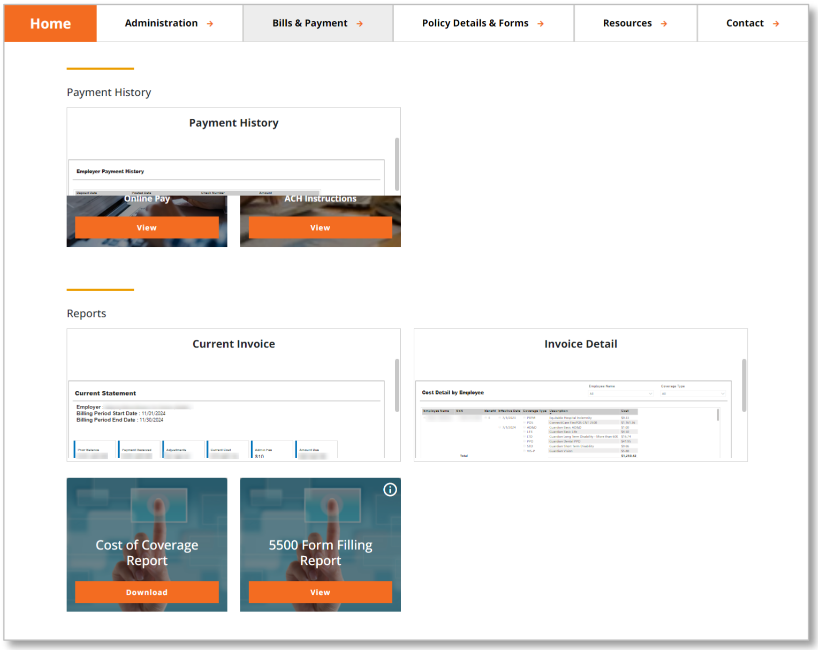


Click the info icon to see more detail.

Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

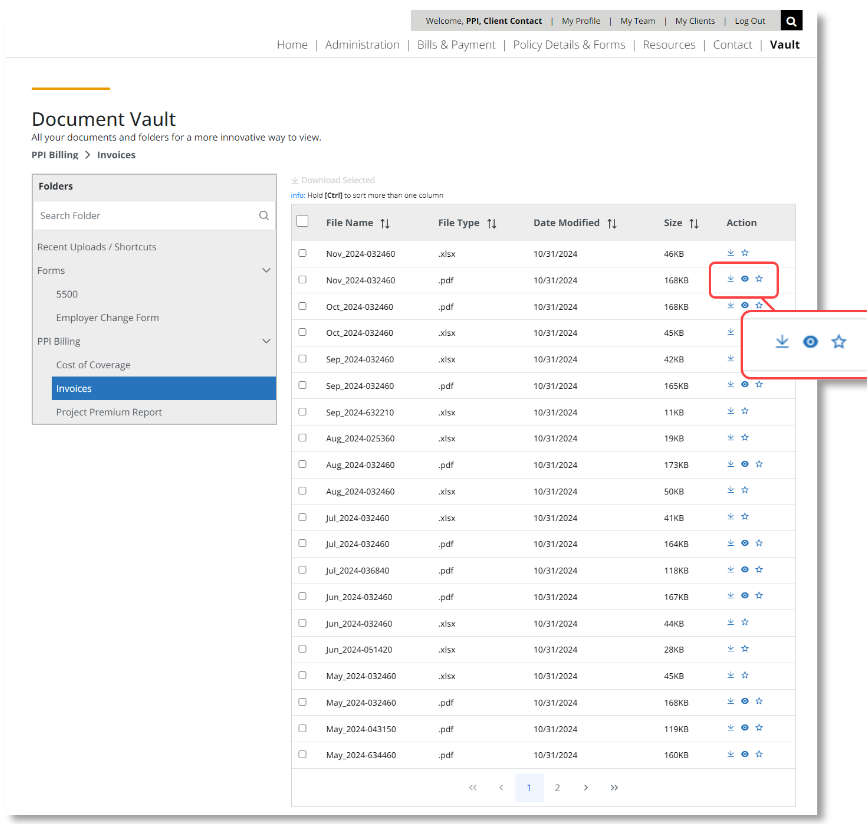
The Bills & Payments Tab

The revamped Bills & Payments section of the portal now features several useful upgrades. The new interface lets all clients view payment summaries, make online payments, and access various reports—even if they don't have online billing.



Invoices

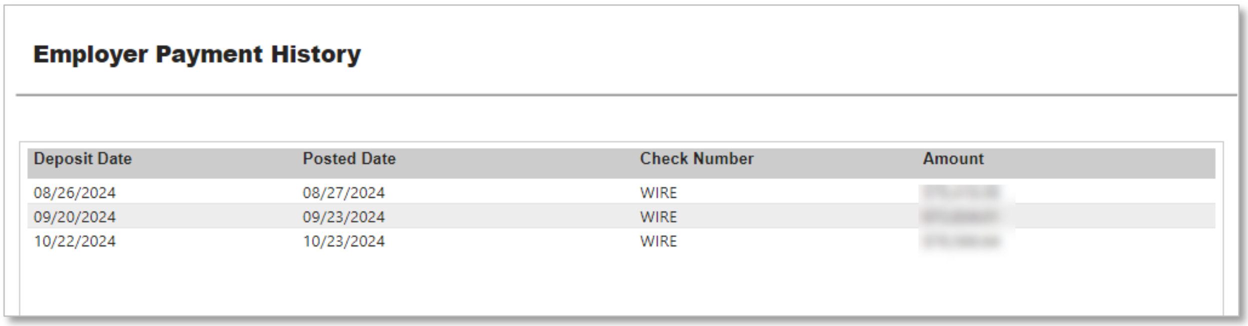
The Invoices tile directs you to the Vault, where you can access your current and a rolling 12 months of invoices. From the Action column, select download or favorite the PDF or Excel version or select view from the action menu.



Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

Payment History

The payment history section displays key details, including the deposit and posted dates, payment method (such as check or ACH), and the total amount paid.

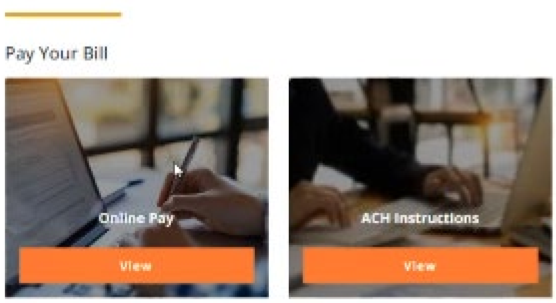


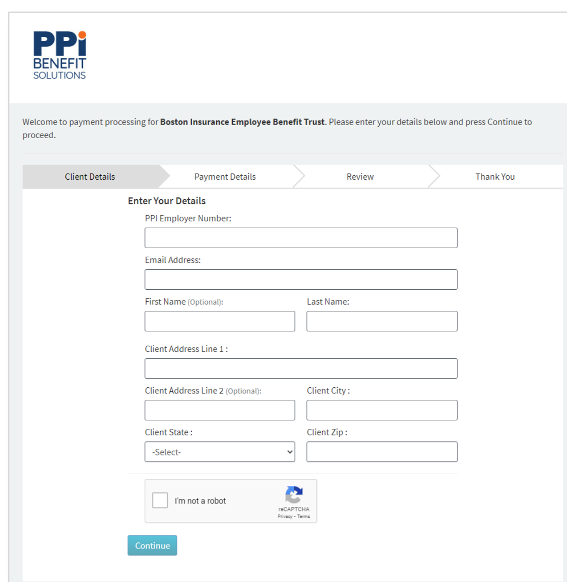
Employer Payment History

Deposit Date	Posted Date	Check Number	Amount
08/26/2024	08/27/2024	WIRE	[illegible]
09/20/2024	09/23/2024	WIRE	[illegible]
10/22/2024	10/23/2024	WIRE	[illegible]

Online Bill Pay

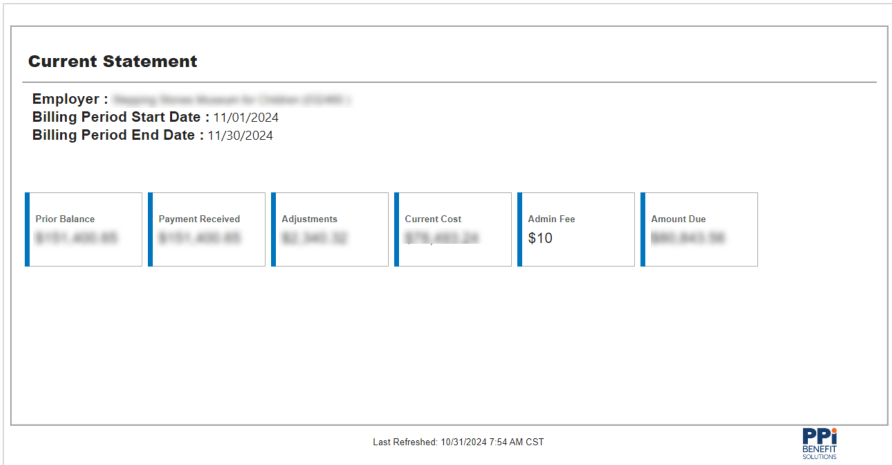
The online bill pay tile directs you to our Bank of America-powered payment system. For ACH or wire transfer instructions, simply click the ACH Instructions tile. You don't need online billing access to use the bill pay system or view the ACH instructions.





Please note: Due to differences in user permissions and ongoing system enhancements, the directions and images in this guide may not exactly match what you see on your screen.

The **Current Invoice Report** is available to clients with online billing and shows a summary of the amount due based on prior balance, payments received, adjustments, current cost, and any administrative fees. Clients with access to multiple divisions or locations can select them from an Employer Name/Number dropdown at the top of the page.



The **Invoice Detail** data show costs by Employee and Coverage type, as on the PDF version of the bill. Here, however, you can filter the report by employee(s), SSNs, or billing date.

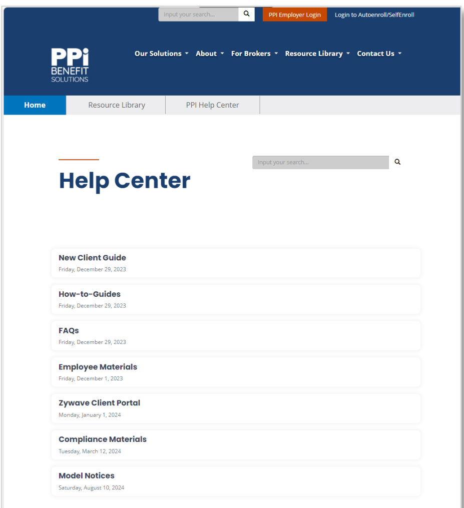
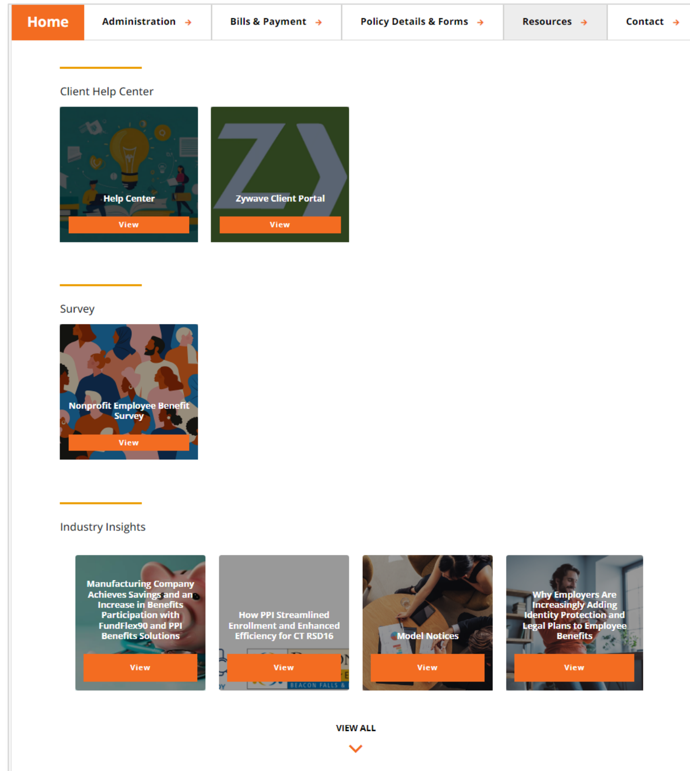
The Resources Tab

Client Help Center

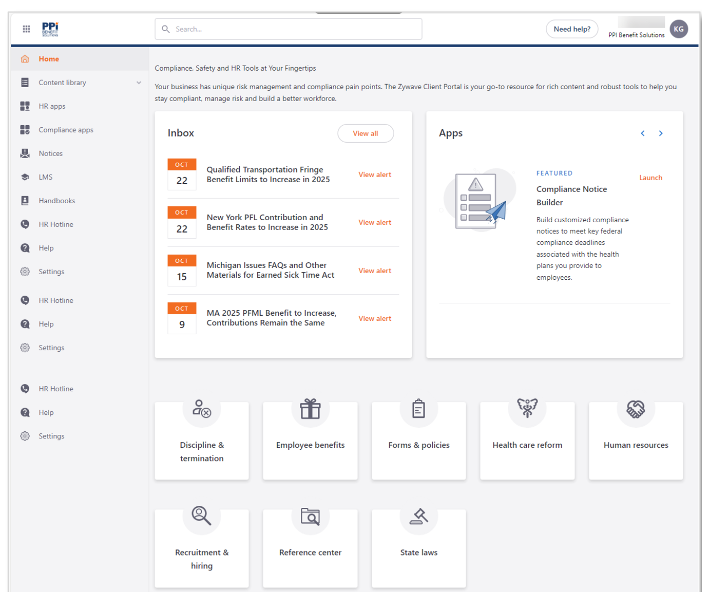
The Help Center tile links directly to the Client Help Center, where you'll find a variety of printable guides and resources for using the AutoEnroll system and navigating ppibenefits.com.





Zywave Client Portal

ACSA and BIEBT Trust members enjoy complimentary access to the Zywave Client Portal, a resource designed to help meet HR and compliance needs. The portal features an extensive HR and compliance library and user-friendly tools for managing HR, benefits, and compliance workflows. Members can also access Zywave's Learning Management System (LMS) and a dedicated HR Hotline for personalized support. More information is available in the PPI Help Center.



Other Resources

The survey offers valuable benchmarking data specific to nonprofit organizations, helping you stay informed and make data-driven decisions. The Industry Insights section provides up-to-date industry news.
